MCAT

MCAT's mental health staff provide help during crises to children and adults in Oneida, Herkimer, Schoharie, Otsego, Delaware and Chenango counties.

MCAT has the ability to respond to crises where they occur, and work with the individual, family and community based agencies to assist with your needs.

Crisis include:

- Threats to harm self or others
- Behavioral issues
- Severe depression or anxiety
- Mental health symptoms
- Erratic behavior
- Behaviors that may lead to police intervention
- Any problem that is causing a serious problem in functioning

Our Goals

MCAT seeks to de-escalate a crisis situation, preventing possible harm, keeping the problem outside of the legal system and avoiding hospitalizations when appropriate. Concerns which are causing a person a *serious* problem in functioning is reason to call.

MCAT's Services include:

- 24-hour, 7-days/week intervention
- Mental health assessment
- Crisis de-escalation
- Linkage to services
- Follow-up services
- Alerts to identify and assist those who are at increased risk
- Crisis debriefing
- Coordination with schools, medical and mental health providers, and other agencies to provide crisis interventions and to help monitor clients who are at risk.
