ABOUT THE PROGRAM

The Neighborhood Center, Inc. Jail Diversion Program provides supportive services to help individuals involved in the Oneida County criminal justice system successfully transition back into the community, reduce recidivism, and build stable, healthy futures.

FORENSIC REINTEGRATION COUNSELING

Supportive counseling services designed to help individuals identify goals, build coping skills, and navigate challenges related to community reintegration.

SERVICES MAY INCLUDE:

-  **Substance use support**
-  **Anger management and emotional regulation**
-  **Coping skills and trigger recognition**
-  **Trauma-informed support**
-  **Assistance addressing barriers to stability**
-  **Reintegration planning and goal setting**
-  **Ongoing encouragement and accountability**

FORENSIC CRISIS CASE MANAGEMENT

Care coordination and supportive case management services to help individuals access resources, maintain stability, and strengthen connections within the community.

SUPPORT MAY INCLUDE:

-  **Housing assistance**
-  **Employment support**
-  **Department of Social Services navigation**
-  **Linkage to healthcare providers and appointments**
-  **NY State ID assistance**
-  **Lifeline phone enrollment**
-  **Connections to community resources**

Our team works to meet participants where they are – both physically and emotionally – through flexible, person-centered support and collaboration with probation, parole, providers, and other community support systems.
